

You may not realize it, but right beneath your feet is an almost unlimited reservoir of stored solar energy. A WaterFurnace geothermal system taps into this free and renewable resource to provide savings of up to 70% on heating, cooling, and hot water—with a comfort you have to experience to believe. Right now, you can save thousands on installation, thanks to a 30% federal tax credit. But don't wait—this credit ends on December 31st, 2025. Contact your local WaterFurnace dealer today to learn more!
